

Client Case Study: Nigerite Limited

Client	Nigerite Limited
Sector	Building Materials Manufacturing
Challenge	Needed to maintain compliance with LASEPA and FMEnv requirements for effluent discharge, stormwater quality, and potable water.
Solution	Ecobinder provides monthly water compliance monitoring, including effluent, stormwater, and potable water sampling, laboratory analysis, and submission of detailed reports.
Outcome	The program helps Nigerite achieve consistent compliance, proactively address exceedances, and demonstrate continual improvement in environmental performance.
